

Is your Children's Centre data on www.gov.uk out of date*?

Within each Local Authority there is a staff member who is responsible for keeping the Children's Centre information on www.gov.uk up to date. They will be able to notify the DfE of any changes to ensure families are getting the right information about your local children's centres.

The person who is responsible for these updates varies from local authority to local authority. This document includes a list of who is responsible for updates in each local authority, it was provided by the DfE in September 2014.

If your 'administrator' has left and you need to find out who is responsible for updating your data please note that 'administrators' job titles are usually one of the following:

- Childcare Sufficiency Manager
- Children's Centre Commissioner
- Children's Centre Manager
- Children's Centres Officer
- Children's Service Early Years Project Officer Safeguarding, Prevention and Partnership Children's Service
- Commissioning Manager
- Deputy Head of Integrated Early Years' Service EYC Recruitment & Marketing Officer
- Early Years and Childcare Service Manager
- Early Years Development Manager, Children's Services
- Lead Officer Early Childhood Services
- Projects and Business Support Officer, Children's Centre Strategy and Support Team
