

holiday • activities • food

This session:

**To update on the
Holiday Activities and
Food (HAF)
programme.**

**Consider how FIS
teams can engage and
support in future HAF
delivery.**

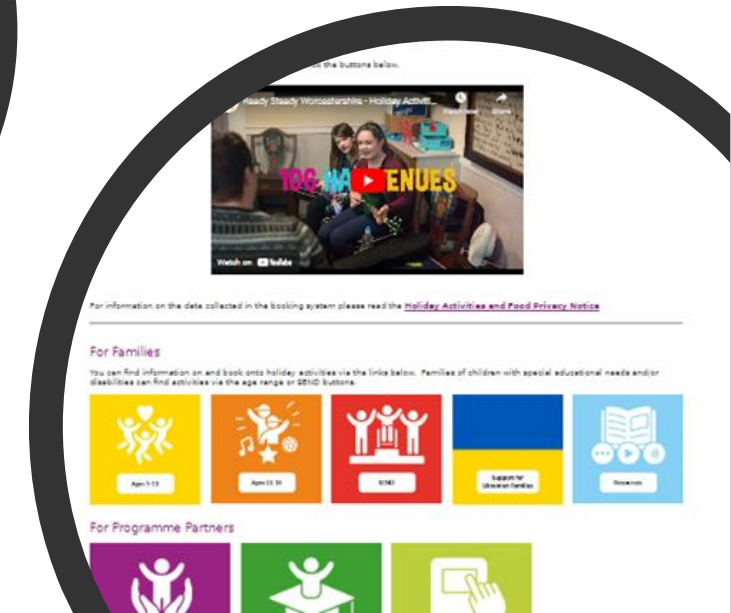

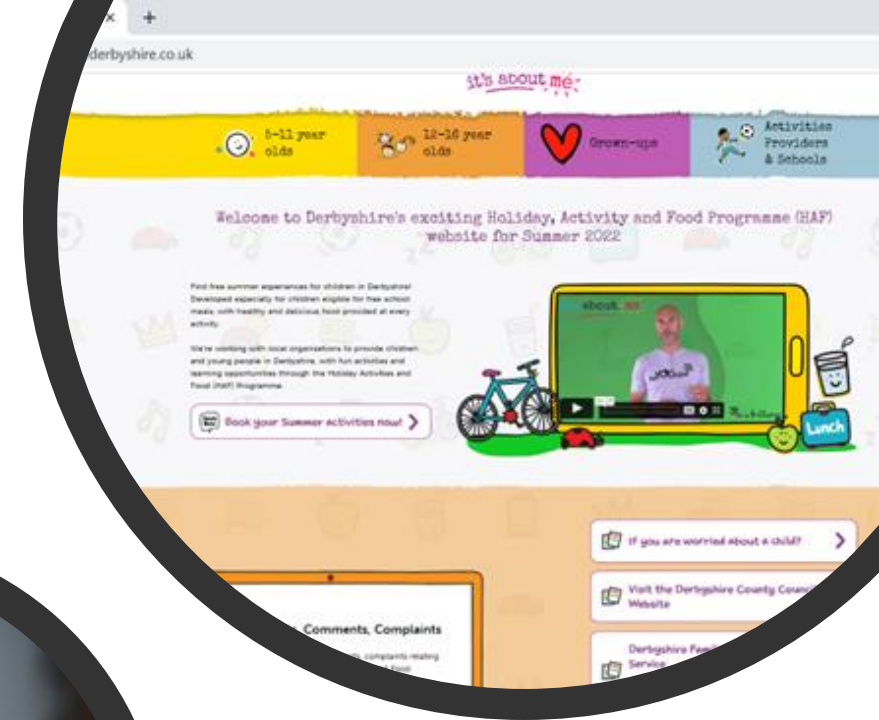

Looking back to summer 2021

- The first for many
- Excel spreadsheets
- Manual booking systems
- Manual data/post delivery collections
- Retrospective eligibility checking

Summer 2022

- Automated booking systems
- Back-end data management systems
- Websites
- Eligibility checking and voucher codes
- Automated data collection and real time monitoring
- Provider portals

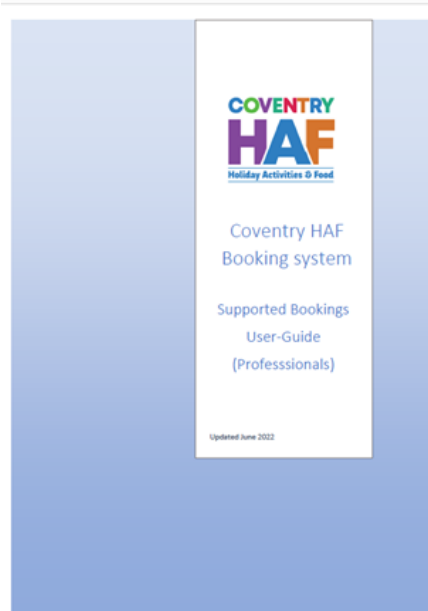

Local branding and logos

**A picture paints a
thousand words...**

Toolkits, training and resources to support and QA providers

**Consulted,
coproduced
and reshaped
provision for
older children**

Provision has
grown and
continues to
grow.

Programme
activities
have changed
and continue
to change.

**Partnerships with services,
connections with wider
strategies, and using
expertise of others**

**Donations,
sponsorships,
collaborations**

**All of which has
ensured HAF has
achieved
exceptional
experiences for
thousands of
children across the
country during
2021-2022.**

- Increasing attendance
- Assuring quality
- Reducing 'no shows'
- Increasing SEND provision
- Booking systems
- Increasing supply and variety of places
- Food and health awareness
- Cost of living

Discussion Activity:

How can the FIS team support planning and delivery for Winter HAF and beyond?

Before I go, a word about what else we're up to:

DfE Covid Recovery Training Partner [click](#)

Hey! (Hempsall's Early Years) [click](#)

HMRC – Increasing Tax-Free Childcare Take-Up [click](#)

**New training: 10-step staff recruitment and retention;
wellbeing and selfcare; building better social media.**
