

Parent Champions Awards

Coram Family and Childcare is delighted to announce that the nominations for the Parent Champions awards are now open.

The Parent Champions awards seek to recognise, support, and encourage the work of Parent Champions schemes and the coordinators and volunteers that make scheme possible. Your work is changing the lives of families across the UK and it is time to celebrate your achievements.

We are looking for fantastic Parent Champions, coordinators and schemes that have gone above and beyond to improve the lives of children and families in their local communities.

The awards are for anyone who has been involved with a Parent Champions scheme in the last year. You could nominate a volunteer, a coordinator, or your whole scheme. You can enter as many nominations as you wish and do feel free to nominate yourself and your scheme!

All applications will be entered into one of the five categories below.

(Coordinators can nominate themselves or be nominated by their colleagues or Parent Champions).

Volunteer who has had the biggest impact

To recognise the Parent Champions volunteer who has demonstrated outstanding levels of dedication, enthusiasm and team work. The volunteer may have been particularly successful in some aspect of their scheme, for example have found new ways to reach isolated parents, become a mentor or trainer for new volunteers or have done advocacy work locally.

Volunteer who has made the most personal progress

To recognise the Parent Champions volunteer who has made significant positive development to impact their own life. The volunteer may have an inspiring personal journey, for example, have overcome personal challenges through their Parent Champions volunteering, have built their confidence and developed new skills or used their volunteering to progress into education or employment.

Newcomer - anyone who has joined their scheme in the last 12 months

To recognise the new Parent Champions volunteer who has made significant progress or impact since joining the scheme. The volunteer may have hit the ground running, making a valuable contribution to the scheme or impact on their own life through volunteering within a short time.
